**“Everyone Is Looking For You”**  
**(Mark 1:29-39)**

Sometimes we may think we don't have \_\_\_\_\_ to serve Christ.

The whole \_\_\_\_\_ gathered at the door. \_\_\_\_\_ wanted to see Jesus.

Jesus left the house and went to a solitary place where he \_\_\_\_\_.

Deep down all people everywhere are \_\_\_\_\_ for Christ.

Some thoughts:

**#1. – Everybody needs \_\_\_\_\_ in their lives.**

Everybody needs something to \_\_\_\_\_ in, something to \_\_\_\_\_ them.

To many people the \_\_\_\_\_ to life is \_\_\_\_\_ up and there is no \_\_\_\_\_.

There are many people who can relate to the greyhound. They're spending their lives chasing \_\_\_\_\_ rabbits.

What Camus nor his readers understood is that nothing in this world can \_\_\_\_\_ their search for meaning.

In order to have a \_\_\_\_\_ life we must have \_\_\_\_\_ in our life.

Why did Christ come into our world?

**#2. – He came to \_\_\_\_\_ his message of love and \_\_\_\_\_ with the world.**

He came to give us the \_\_\_\_\_ to a very big secret. The good news that life does have \_\_\_\_\_!

(over)

Einstein's search may have been presumptuous, but, he never dismissed the possibility of the \_\_\_\_\_ of God.

Einstein died without ever being able to read the \_\_\_\_\_ of God.

The KEY to the meaning of everything: It's \_\_\_\_\_! It's Jesus Christ and His \_\_\_\_\_ for ALL of us!

He is the \_\_\_\_\_ that shines in the darkness. He is the \_\_\_\_\_ that never fails. He is the \_\_\_\_\_ that never ends. He is the \_\_\_\_\_ to the secret of life!

What Christ gives is not an easy-to-follow three-step plan to a more satisfying life. He gives us \_\_\_\_\_!

Far more important than discovering our “inner Elvis” is the opportunity we have to discover our inner \_\_\_\_\_!

He is our only hope for making \_\_\_\_\_ out of life.

The formula he gave us for a successful life is so simple: \_\_\_\_\_ God and \_\_\_\_\_ your neighbor!

There is one who will \_\_\_\_\_ leave us no matter the situation.

He calls us to share the same kind of love and \_\_\_\_\_ to everyone we meet.

Don't go through life believing that the secret to life is locked up somewhere with no key available for the likes of you and me.

There IS a key.

His name is JESUS!
