“What Super Power Would You Choose?”

(Luke 10:1-11, 17-20)

What useless super power would you wish for?

We all want to believe that we have _____ powers within us.

The disciples were rejoicing in the things they had done. Jesus wanted them to know that it was the power of the _____ that was working through them.

Let’s look at why these were sent out, and why he calls us to do the same....

#1.- Because he knew that they needed to _____ what he saw.

They needed to _____ the hurts and _____ the questions of people living and dying without the knowledge of God.

Hurting people need more than _____.

They need someone to come _____ in their neighborhood and witness their struggles.

#2. – Because you don’t really know what real _____ is until you put your faith into _____.

It’s one thing to believe something with your _____; it’s another for that belief to take _____ in your heart!

That only happens when you are actively _____ what you preach!

If the _____ of Jesus cannot hold up when faced with the cold, hard _____ of people’s lives, then it’s not from _____!

(over)

It’s not biblical to be _____ committed or _____ about our faith.

#3. – He had given them _____ to drive out _____!

Some Christians believe in a _____ Satan.

For some, Satan is simply a name we give to the _____ of evil that sometimes inhabits the human heart.

“Satan is a lot like a big old _____. He’s already been _____, He just doesn’t know it yet!”

Jesus send us out today like he sent out these 72 – to _____ the kingdom of God in hearts and _____!

This is the power that gives life meaning and _____!

This is the power that gives us our _____ and self-worth!

This is the power that allows us to _____ the world!

Follow the All-powerful, Almighty, Savior of the world, Jesus Christ, who gave his very life so that we could BE the gospel to those around us!

This is the kind of super power I want to choose....how about you?
