**“Text Message From Jesus!”**  
**(Mark 11:1-11)**

It’s often said that President Ronald Reagan was the “great \_\_\_\_\_.”

In all the gospel stories that we have, Jesus is always \_\_\_\_\_ something.

As we watch Jesus enter Jerusalem each year, we wonder what he’s \_\_\_\_\_ us.

Should we see Jesus as a \_\_\_\_\_, as a descendant of Israel’s King David?

Or should we understand Jesus as the long-awaited \_\_\_\_\_?

Or, do we look for another \_\_\_\_\_?

Only Jesus knows that this is also a \_\_\_\_\_ procession!

What Jesus came to communicate was about the power of \_\_\_\_\_!

He had come to reveal the power of \_\_\_\_\_ our wills toward what \_\_\_\_\_ wants!

Here’s our question: What if we all \_\_\_\_\_ as if the Messiah was \_\_\_\_\_ us?

He invites us to live his brand of generosity and \_\_\_\_\_.

He invites us to \_\_\_\_\_ the signs, and take up his work of \_\_\_\_\_!

As a king, his only triumph is when we \_\_\_\_\_ one another!

\_\_\_\_\_ is the only path to power, and \_\_\_\_\_ is the only \_\_\_\_\_ that matters!

The palm branches and shouts are all a \_\_\_\_\_ of God’s love for us and the coming of God’s new world!

If we understand, we can \_\_\_\_\_ him in this week of \_\_\_\_\_ and beyond!

We can read the signs, and join his kingdom, this week,  
and always!!
