**“See My Hands and Feet”**  
**(Luke 24:36-49)**

The disciples were not completely immune to \_\_\_\_\_.

The disciples did not believe because of \_\_\_\_\_ and \_\_\_\_\_!

Many people today want to believe but \_\_\_\_\_ holds them back.

**1.- It’s Difficult to Believe that God \_\_\_\_\_ that Much.**

Some of us are more comfortable with an \_\_\_\_\_ God.

The idea of God with \_\_\_\_\_ in his hands and feet because of his \_\_\_\_\_ for us is an idea that we’re not \_\_\_\_\_ for!

In dealing with the meaning of the \_\_\_\_\_, the early church understood that those nail-prints should have been \_\_\_\_\_!

God so \_\_\_\_\_ the world that he sent his Son to bear the \_\_\_\_\_ brought about by the \_\_\_\_\_ of us all!

**2.- It’s Difficult to Believe \_\_\_\_\_ Goes on \_\_\_\_\_ the Tomb.**

Hard to believe that another existence in which that which \_\_\_\_\_ here is \_\_\_\_\_ to new life there!

Yet such a \_\_\_\_\_ is at the heart of our faith!

Without the \_\_\_\_\_ faith not only death but life itself is ultimately \_\_\_\_\_!

What value is there in \_\_\_\_\_ that ends beside a \_\_\_\_\_?

(over)

All the non-believing world can do with death is \_\_\_\_\_ it, deny it, or \_\_\_\_\_ talking about it!

**3.- We Have trouble \_\_\_\_\_ the Implications of These \_\_\_\_\_.**

What does it mean if there really is a God who is that intimately \_\_\_\_\_ about our lives?

What does it mean if this life is but a \_\_\_\_\_ to everlasting life?

The difference is a \_\_\_\_\_ to Christ and determination to give his life in \_\_\_\_\_ to others!

From frightened and uncertain men marked by \_\_\_\_\_ and \_\_\_\_\_, they became apostles of great \_\_\_\_\_ and self-giving!

Those who have \_\_\_\_\_ the hands and feet of the risen Christ and live their lives in the light of eternity never run out of a \_\_\_\_\_ for life!

“See my hands and my feet...” – God really does love us that much!

Life really does go on beyond the grave!

What is your response to those two truths?
