“Getting It Right In The Coming Year!”
(Galatians 4:4-7)

Change is never _____, even when it comes to following
_____ with a few resolutions.

Maybe if we gained some _____ on our lives, change
would be easier.

Paul says a lot in these words that we need to consider:

#1. - First, he talks about the fullness of _____. (Gal. 4:4)

The beginning of a New year reminds us of the _____ of
time.

Someone has said that _____ waits for no one.

#2. – He reminds us _____ we are. (Gal. 4:4-5)

We are the _____ sons and daughters of God.

This is good news that _____ on earth can celebrate
regardless of their life _____.

In Ephesians 2:10, the word “*workmanship*” is the Greek word *poema*,
from which we get our English word, “_____.”

Author Steve McVey says, “*God has made you to be a heavenly piece
of _____ on this earth!*”

We are the _____ of God _____ by God’s own
Son!

**We need to know that, and other people ought to see that in how
we _____!**

(over)

It’s good as we welcome in the New Year, that we are reminded how
_____ time passes and how _____ it is that we
make good use of our days.

It’s also good to be reminded of _____ we are, _____ of
God!

Hopefully people will know that by the way we live!
