“Lessons From A Prosthetic Toe”
(Luke 17:5-10)

What is the oldest prosthetic body part that’s ever been found?

The word for “_____” as in “increase our faith” is the same word from which we get the word _____.

Essentially the disciples are asking for a “_____.”

1.- Authentic faith is a _____.

If you’ve ever cried out through your _____, “*I believe, Lord; help my unbelief!*” then you are not _____!

Even the _____ struggled with their faith.

Faith isn’t a _____ power source that can be plugged in whenever we face a _____ challenge.

2.- Faith is an _____ relationship of _____ with God whose Spirit lives in us.

Faith is a _____ of God, not the result of _____, so that no one can boast about it.

We cannot _____ up more faith with human effort; we can only increase our faith by drawing _____ to God!

God plants His Spirit in our hearts and minds and _____ us into people who _____ God’s character!

We may demand the gift of _____; Jesus wants to give us the gift of _____!

3.- Faith is increased in our obedient _____ to God.

Real faith looks like a _____ doing the tough, daily work of _____ their master!

Jesus wouldn’t ask us to walk in tough, daily _____ unless he was willing to do it himself!

A miracle might be a great way to change someone’s _____. But obedience to God changes _____!

Our faith is proved in our ongoing, _____ service to God!

It’s in the daily disciplines of _____ our will to God that God uses us to do God’s _____!

O, Lord, increase our faith!
