“A Law Against Dying”
(Luke 20:27-38)

In a civilized society, there are _____ that cover almost every aspect of life.

On the surface, our Bible passage is about _____ and the afterlife.

But in reality, it's about the _____ we place on God.

The _____ were a Jewish religious sect representing the high priests.

What the Sadducees saw as a challenge, Jesus saw as an _____!

In this moment, Jesus cared about showing us the truth of God's _____ and purposes!

1.- Jesus challenges our limited view of _____.

That's one reason Jesus often answered a question with a _____, or with a _____.

Rather than giving us a set of _____ to live by, Jesus gives us an _____ view of God.

The questions we ask _____ the answers we get!

Once we understand what God is like, we could use that as the _____ of understanding all other questions!

2.- Jesus challenges our limited view of God's _____ for us.

God made us for a relationship of _____ in Him!

Through Jesus we have been _____ into God's family!

From the beginning, God created us to be God's _____!

THAT is the reason why we are assured of _____!

3.- Jesus is _____ that there is no _____ to God's love for us.

We were made in God's _____ and God breathed His own _____ into us!

Jesus life, death and resurrection are proof that God planned us for _____ life with Him!

God's purpose for us was not to _____ us in death but to _____ us back home!

We don't need a law against _____. Christ has already taken care of that matter on our behalf!

God's purpose for us is to lead us back home, with Him!

Is that where you're headed?
