“Peace In The Midst Of The Storm!”
(Mark 4:35-41)

The _____ was invented in 1850.

The _____ was invented in 1875.

Our fast-paced lives provides material possessions, but it does not provide us with _____!

_____ is our constant companion, _____ haunts our dreams.

People have had the same reaction as the disciples for centuries in facing the _____ that buffet their lives!

When we call out to Jesus, as the disciples did, that _____ is the beginning of your _____!

As much as you might not have thought so, things were _____ out of His _____!

Jesus was a carpenter, not a _____. His experience is with hammer and _____, not rudder and _____!

_____! Did you notice how it came? Just His _____!

You do have _____, but you’ve never had it _____ to the limit like this before!

You’ve wanted to believe he is Lord of _____ of life, but how much you’ve believed it has never been called into _____!

Through the centuries, Christians have _____ with the same thing – we say we have _____, but when times of crisis come, we fear we’ve been left all _____!

(over)

The storms of life can be calmed again by his _____!

He affirms to us that even when we think he might be _____ of our trouble, we don’t need to _____!

He affirms his _____ with us even in the midst of our most dire _____! (Psalm 23:4)

Yes, His word is still capable of _____ storms!

What storms are you facing?

First, **Call** on Him for help; then **Trust** that He can deliver; and finally, **Listen** for the word He speaks!!
