“Living Bread!”
(John 6:51-58)

According to Andy Rooney, the two biggest sellers in any bookstore are the _____ and the _____ books!

A major _____ in our understanding of disease and prevention has come with a new conception of the role of the _____!

One of the key troublemakers in our guts is “_____!”

Yeast is a member of the _____ family.

There are over _____ species of yeast!

Yeast can be _____, but they can also be _____!

Often in Hebrew Scriptures, _____ or yeast would be symbolically referred to as “_____!”

Jesus used the metaphor of yeast in both _____ and _____ ways.

Whether one chooses to _____ negative or positive characteristics in their life became of utmost importance!

It wasn't the “yeast” itself that was the issue. It was what “_____” of yeast you put into your life that made the difference!

The same as today, yeast could be bad or good, depending on the kind you harbored in your _____ (or in your _____ and _____)!

When Jesus is talking about the “_____ Bread,” he is talking about “Bread filled with _____!”

(over)

He's talking about good yeast! Kingdom yeast! The kind you want to _____ and propagate (reproduce)!

Jesus tells us that he will give his own _____ in sacrifice for us!

Because of this, we do not mourn but _____ the “Living Bread” of his eternal _____!

We just need to “_____” together!

“Abide” in Hebrew, means to _____, remain, or endure, and especially, to “_____!”

We make God our home. We co-_____ with God!

When we _____ ourselves with the life-giving “bread” of Jesus, we exude his _____ to everyone we encounter!

In doing that, we _____ (reproduce) the kingdom Jesus intended!

The best sign that a church is filled with life? It has the ability to _____!

_____ with Jesus ensures a church's reproductive power!

May we allow His life-giving Holy Spirit to “_____” our bodies, releasing their multiplying energy with us and within _____ body, the Church!

PASS THE BREAD, PLEASE!

May His life-giving force abide among you, with you, and within you, now and always!
