**“What To Say When You Roll Out Of Bed!”**

**(Mark 12:28-34)**

Today, let’s look at what it means for us to \_\_\_\_\_ God.

Loving God comes first, as our greatest \_\_\_\_\_ and our primary \_\_\_\_\_!

**1.- Love God with all your \_\_\_\_\_.**

If Jesus picked only one of the \_\_\_\_\_ commandments, he left himself open for \_\_\_\_\_.

The primary obligation for every Jew is always to love God with the \_\_\_\_\_ - the center of all passion and \_\_\_\_\_!

These words are our primary allegiance and bind us to our greatest \_\_\_\_\_!

**2.- Love God with all your \_\_\_\_\_.**

In Hebrew thought, the soul is the \_\_\_\_\_ of life!

To love God with the \_\_\_\_\_, is to love God with every \_\_\_\_\_!

Our breath is always the \_\_\_\_\_ behind every word and song!

**3.- Love God with all your \_\_\_\_\_.**

We have heads to \_\_\_\_\_, ideas to \_\_\_\_\_, and thoughts to \_\_\_\_\_.

It’s easy to forget we are called to love God \_\_\_\_\_ and \_\_\_\_\_!

That’s the business of \_\_\_\_\_.

(over)

It’s not enough to have a faith that feels deep \_\_\_\_\_. We must develop a faith that thinks \_\_\_\_\_ thoughts!

Blessed is the person who seeks to love God through the labor of the human \_\_\_\_\_!

**4.- Love God with all your \_\_\_\_\_.**

Love is also something we \_\_\_\_\_!

Love is a word that taps our \_\_\_\_\_ and \_\_\_\_\_ our muscles!

To love God with all our strength is to keep our part of the \_\_\_\_\_ that God has established!

In this text, the kind of love called for is a love that can be \_\_\_\_\_!

What should we say when we roll out of bed?

Eugene Peterson paraphrases the commandment:

**“Love the Lord God with all your passion and prayer and intelligence and energy!”**

With these words on our lips, we announce that our lives will be \_\_\_\_\_, not \_\_\_\_\_!

**As we inscribe these words on our hearts, we aim ourselves in love toward the God who first loved us!**
