“The Word According To Superman”
(Genesis 15: 1-6)

Our lesson today concerns a _____ - a promise that God made to _____.

At this time, Abraham was still known as _____.

Despite the many victories that God had given Abram, he still has some _____ in his relationship with God.

We are so _____...our _____ is so pathetic.

No matter how many times God was with him in the past, Abram had difficulty _____ God in his present circumstances.

3 Things for us to consider:

#1.- The Greatest need you and I have is the need to _____ God.

No matter how difficult our circumstances, God will never _____ us not _____ us!

Superman: *“Now if I delivered you from the burning fire, what makes you think I am going to drop you when I’m carrying you to safety?”*

God can be _____ on! God keeps His _____!

God rarely gives us the full _____ of the process involved to get us to that victory.

#2.- Abram’s faith was fragile, but God’s _____ are rock solid!

They didn’t see how it would be _____ that they would have an heir of their own. But one day, God _____ on His promise!

(over)

Remember these important words: “The boat will not _____; and the _____ will not last forever!”

God does not _____!

#3.- Do not forget that the _____ of all of life’s tests is not to defeat us but to make us _____.

God wants us each to _____ strong in our mental, emotional and spiritual lives.

God has established His _____ with you!

Hold on to God’s _____! Don’t lose _____!

If it helps, hold on to these 3 simple phrases:

1. “If I delivered you from the burning fire, what makes you think I am going to drop you when I’m carrying you to safety?”
2. “The boat will not sink; and the storm will not last forever.”
3. “Your Father knows the way.”

Remember God’s words to Abram:

Genesis 15:5 – “Look up at the sky and count the stars – if indeed you can count them...So shall your offspring be.”

God always keeps His promises!
