

Series: "When Good People Have Bad Times"

October 16, 2016

**#5 - "People Who Are Down On Themselves"**

**(Galatians 3:26-29)**

Some people have no real relationship with their dads. Many others have a relationship that could be termed \_\_\_\_\_.

Some people go to their graves never able to \_\_\_\_\_ or forget. It even affects their feelings about \_\_\_\_\_.

You are the \_\_\_\_\_ of God's eye!

**#1.- One reason many good people have bad times is that they carry around \_\_\_\_\_ from past experiences or relationships.**

Many people have had their \_\_\_\_\_ - \_\_\_\_\_ trampled at home, or school, or on the job.

They carry their bad times \_\_\_\_\_.

St. Paul's words are a refreshing balm to all who have been \_\_\_\_\_ by their past for whatever reason.

**#2.- Other people carry around baggage because of they have been \_\_\_\_\_ because of their gender, ethnicity, race or some other personal characteristic.**

If you're going to carry any bigotry in your heart, please don't use the \_\_\_\_\_ as your excuse!

An illustration from the Bible is the Ethiopian eunuch, in Acts chapter \_\_\_\_

When Philip went to the Ethiopian, he heard him reading from what prophet? \_\_\_\_\_

**#3.- God has one passion and that is \_\_\_\_\_....Every person on this earth!**

God loves you because you are \_\_\_\_\_!

He loves you so much that He sent His Son in your \_\_\_\_\_.

But never forget God sent His Son in behalf of \_\_\_\_\_ person on earth!

When Paul wrote these words, it wasn't in the \_\_\_\_\_ century. This was more than \_\_\_\_\_ years ago.

One reason some people are so filled with hate is that they've never known the \_\_\_\_\_ love of their Heavenly Father.

They hate others because they feel \_\_\_\_\_ themselves.

If you understand the truth of these words, know that what God wants from you is simply for you to go out and \_\_\_\_\_ this same love.

Don't let your \_\_\_\_\_ dump over on others, just because you've had a bad day.

Let's keep ourselves \_\_\_\_\_ to God, and let His light shine \_\_\_\_\_ us!
