**#6 - "People Who Procrastinate"**

**(Luke 9:51-62)**

Could I suggest that in the most important matters of life, there is indeed a very big \_\_\_\_\_.

It may seem troubling that Jesus treated these men who simply indicated they needed more \_\_\_\_\_ so harshly.

But Jesus knew that in the truly important things of life there is a need for \_\_\_\_\_.

Three Things:

**#1.- Consider the simple act of expressing our \_\_\_\_\_ for the people closest to us. Expressing such \_\_\_\_\_ simply cannot be put off.**

There is an urgency about \_\_\_\_\_.....\_\_\_\_\_ grow up, oh, so quickly!

**#2.- There can sometimes be an even greater urgency about altering a \_\_\_\_\_.**

There comes a time when a person must change his or her way of \_\_\_\_\_.....and do it now!

There comes a time when fighting a destructive \_\_\_\_\_ or debilitating \_\_\_\_\_ when you must say, "I must stop now or it will be too late."

There is a story of a man who waited until it was too late to make a change in his life. His name was \_\_\_\_\_.

It's an awful thing to wake up and realize it is too \_\_\_\_\_!

There is built into life an important \_\_\_\_\_ when it comes to the things that really matter.

**#3.- Such it is most crucially with our relationship with \_\_\_\_\_.**

In today's lesson, Jesus encounters two men who want to delay making a \_\_\_\_\_ to him, and Jesus rebukes them.

\_\_\_\_\_ is a major problem in many people's lives.

3 reasons Jesus calls us with such urgency:

1) The first has to do with our \_\_\_\_\_.

The road to hell really is paved with good \_\_\_\_\_.

2) Time is passing quickly and so much of it is being wasted because we do not have a great \_\_\_\_\_ for our lives.

There is an urgency about making a deeper commitment to Christ right now because of our nature and because, otherwise, we squander our most valuable resource, our \_\_\_\_\_.

3) The \_\_\_\_\_ need.

We could be so much more effective in how we use our \_\_\_\_\_ if we could but \_\_\_\_\_ our lives in Him!

And there are people's lives that we can \_\_\_\_\_, that we really can help, if we \_\_\_\_\_ before it's too late.

Satan's most effective tool? ---Tell them there is no \_\_\_\_\_!

Some things in life about which there really is a \_\_\_\_\_.

Giving your life in \_\_\_\_\_ to Christ really is urgent!

**I urge you to do it, TODAY!**
