

Third Sunday of Advent  
December 12, 2021  
**“An Unbreakable Christmas”**  
**(Philippians 4:4-7)**

There is no \_\_\_\_\_ that can compare to having the opportunity of \_\_\_\_\_ God!

**1.- For many, Christmas is a reminder, not of their \_\_\_\_\_ as children of God, but of their \_\_\_\_\_ in a materialistic culture.**

Deep in our souls many of us are tortured by the demon of \_\_\_\_\_.

Many of us judge our Christmas by \_\_\_\_\_, materialistic standards.

Some of us don't struggle with material poverty, but a poverty of the \_\_\_\_\_!

We need something to put our \_\_\_\_\_ in, something more meaningful and lasting.

What would really make a difference in our lives this Christmas and every year is to \_\_\_\_\_ God more!

**2.- The \_\_\_\_\_ of God comes when we \_\_\_\_\_ the God of Peace!**

Think about the first Christmas ever....No one really understood what God was \_\_\_\_\_.

But they knew the Almighty God had \_\_\_\_\_ them!

Even when they didn't understand God's plans, they still \_\_\_\_\_ God's peace!

(over)

Every year at this time, we \_\_\_\_\_ our hope for peace.

**3.- The peace of God comes when we \_\_\_\_\_ God with our present circumstances and \_\_\_\_\_ God for our future!**

Paul wrote these words when he was on \_\_\_\_\_ for preaching about Jesus!

Paul was a man who was on fire with \_\_\_\_\_ and completely at \_\_\_\_\_ when he faced difficult circumstances.

Paul could live with peace in the \_\_\_\_\_ and gratitude for the \_\_\_\_\_!

God's peace rises \_\_\_\_\_ our circumstances and \_\_\_\_\_ against our fears!

No matter how out of control our lives may feel, God's purposes never \_\_\_\_\_ and God's \_\_\_\_\_ to us never change!

He came to bring us \_\_\_\_\_!

That **peace** is available to you when you **receive** Jesus as your Lord, and **seek** to live your life the way He would want you to!
