**“Jesus Walked This Lonesome Valley”**  
**(Philippians 2:5-11)**

There was no other way that God could experience the meaning of what it is to be \_\_\_\_\_ without taking on himself the \_\_\_\_\_ of humanity.

God didn't just take our sins upon himself. He \_\_\_\_\_ sin, that we might be made \_\_\_\_\_ with God!

**1.- He takes into account the \_\_\_\_\_ and the \_\_\_\_\_ we have come over and through because he has \_\_\_\_\_ them too.**

Christ \_\_\_\_\_ himself to become as we are so that we might become as he is.

Christ was \_\_\_\_\_ by both civil and synagogue authorities.

Rarely do we see the people at the \_\_\_\_\_ of society lower themselves to the level of those at the \_\_\_\_\_.

**2.- In Christ we see a love that is always \_\_\_\_\_ out to the least and the \_\_\_\_\_.**

Jesus' actions on the cross were \_\_\_\_\_ with his entire life and ministry.

Jesus' entire life was one of demonstrating unending \_\_\_\_\_ to the least and lowest!

His was a love forever \_\_\_\_\_ out!

**3.- His life was a \_\_\_\_\_ that has for all time \_\_\_\_\_ the darkness.**

Darkness and light are favorite \_\_\_\_\_ in the Scriptures.

Darkness can never \_\_\_\_\_ over the light!

It is more than the sting of \_\_\_\_\_ that Jesus has overcome.

He overcame the sting of \_\_\_\_\_, humiliation, and the sting of \_\_\_\_\_!

If your life is filled with bitterness and disappointment, He understands! He cares!

He offers a new beginning. He offers a light that overcomes the darkness!

**THAT is why we worship, today, and every day!**
