**“Unlocking The Doors!”**  
**(John 20:19-23)**

The disciples were very \_\_\_\_\_ on the evening of that first Easter.

The disciples were so frightened we could say they were hearing \_\_\_\_\_!

The disciples were \_\_\_\_\_, afraid, and \_\_\_\_\_ of what would happen next.

**1.- Jesus’ \_\_\_\_\_ unlocks the doors of \_\_\_\_\_.**

The first thing that happens when people meet the risen Christ: He takes away \_\_\_\_\_!

The disciples were in \_\_\_\_\_, frightened, listening for footsteps.

The disciples would now be putting their lives on the line as His \_\_\_\_\_!

Jesus was sending them into the world to \_\_\_\_\_ those doors for others!

But first, he wanted them to have a sure \_\_\_\_\_!

**2.- He gives a foundation that will not \_\_\_\_\_.**

Jesus doesn’t want his followers in the world witnessing to something they haven’t really \_\_\_\_\_ for themselves!

We don’t have to depend on a \_\_\_\_\_ we heard long ago. God is forever \_\_\_\_\_ in our hearts!

**3.- He \_\_\_\_\_ us as we are.**

While the disciples were with Jesus, \_\_\_\_\_ was off by himself.

It’s alright to have \_\_\_\_\_ and \_\_\_\_\_. Christ accepts us just as we are!

Thomas was not excluded because of his \_\_\_\_\_.

John tells us that these stories of Jesus are meant to lead people to \_\_\_\_\_!

The aim of these stories is not to give information, but new \_\_\_\_\_!
